FOR THE EASTERN DISTRICT OF NORTH CAROLINA
RALEIGH DIVISION**

IN RE:

CHAPTER 11

ST. LAWRENCE HOMES, INC.,

CASE NO. 09-00775-8-ATS

Debtor.

**MOTION FOR APPROVAL OF REJECTION
OF PRE-PETITION CONTRACTS**

NOW COMES St. Lawrence Homes, Inc., Debtor-in-Possession herein (“Debtor”), and moves for an order authorizing it to reject all of its pre-petition existing contracts with contractors/sub-contractors, materialmen, suppliers and others performing services related to its real property. In support of this Motion, the Debtor states as follows:

1. St. Lawrence Homes, Inc. filed a Chapter 11 on February 2, 2009 and has operated as a Debtor-in-Possession since that date.
2. This court has jurisdiction over this matter pursuant to 28 U.S.C. §§1334 and 157, and the Standing Order of Reference of the United States Bankruptcy Court for the Eastern District Court, dated August 3, 1984.
3. The Debtor is a residential real estate builder in Ohio and North Carolina.
4. As a builder of residential homes, the Debtor entered into many various formal, informal, written and oral contracts with contractors, sub-contractors, materialmen, suppliers and others (“Contractors and Suppliers”) for the improvement of and construction of its real property prior to the filing of its Petition. Many of these Contractors and Suppliers remained unpaid for some or all of their services rendered and materials supplied to the Debtor. Some of the Contractors and Suppliers filed materialmen liens against the Debtor’s property for monies owed to them pre-petition by the Debtor, but some have not.
5. The Debtor has entered into or will enter into arrangements with lenders to complete the construction of its homes post-petition. The Debtor intends to employ as many of its pre-petition Contractors and Suppliers as it is able to complete this construction under new contracts. However, the Debtor does not wish to unintentionally “refresh” lien rights which would by operation of law expire as to Contractors and Suppliers who had not timely filed materialmen liens for their pre-petition indebtedness, or to increase the amount of lien claims for perfected lien rights on work previously performed on the houses prepetition.

6. The Debtor has consulted with its title insurance company and has been advised that the rejection of all pre-petition contracts and its entry into new contracts with Contractors and Suppliers would enable the title insurance company to insure the sale of homes on which additional work is to be performed under the new contracts.

7. Allowance of this Motion is in the best interest of the Debtor and its creditors because will enable the debtor to complete construction of its homes, obtain title insurance and increase the possibility of distributions to unsecured creditors.

WHEREFORE, the Debtor respectfully requests that it be authorized to reject all contracts with its pre-petition Contractors and Suppliers.

This the 8th day of June, 2009.
